

## **Press on in prayer for Zimbabwe (Oct. 12<sup>th</sup>)**

### **This important call to prayer was sent to us from a friend of Andy and Helen Sellers on behalf of Zimbabwe**

I believe the Lord is going to sweep through a certain part of the nation by His river (Spirit) soon. I believe the darkness in the land is going to be revealed shortly. I have encouraged the believers over there to go on a worship/ praise/ prayer day (Sunday 12th October) declaring and decreeing the word of the Lord over the place. That the darkness flee and that His glory cover the land. I believe there is going to be a mighty change for righteousness in the land and October could be the beginning of the signs of God intervening in the affairs of men in that country. Many other church leaders have had confirmation of a river coming and also a cloud. (If you would like a precise run down of the vision let me know and I will forward it to you)

In this letter I would like to ask all who have a heart for Zimbabwe to join with the churches over there on the 12th Oct and come in agreement with God's desire to sweep across the land by His spirit and to bring to light all the hidden darknesses that have been assigned to bring death and destruction to the country. Pray for warring angels to go on assignment there and join in with the Zimbabwe angels to drive in to the light the demonic forces that are set on killing and harassing the people of Zimbabwe. Thank you so much.

At present, in my estimation, Zimbabwe is experiencing a slow death. Trees, which have been standing for years, are just falling over, animals are dying in the field, children are living on berries from the bushes. The whole atmosphere is one of starvation, in the natural and in some places in the spiritual. The people are saying "How much longer Lord". Everyone is just coming to their last breath. The whole place is slowly, silently shutting down. It's like someone is slowly turning the oxygen supply off. The nation needs God's resurrection. Please lift up your voices on behalf of your brothers and sisters over there. Isaiah 35:3-7

Thank you so much.
