

Over the years, Chuck Pierce, a well-known prophetic minister from Texas, has received numerous words concerning cities and nations. In January 2006 he received a remarkable prophecy about Lebanon, with reference too to Syria and the whole situation in the Middle East. This prophetic word provides a unique perspective on the events now unfurling.

"On January 29, 2006, when I was speaking in a church service at Jubilee Church in Camarillo, CA., the Lord began to speak to me about Lebanon. One of the things they do at Jubilee is pray for the nations each Sunday. When I saw the flag of Lebanon, it was lit up by the Holy Spirit for me to see. The Lord then began to quicken a prophetic word to me. He said, "Watch Lebanon!"

"Not only was He speaking to that church and the people there, as a personal call for them to watch over the nation of Lebanon, but I felt like He was speaking to us as His people, that Lebanon would become a real prayer focus and issue this year. I was hesitant to interrupt the service and give this word, because I was not confident about who in the service would understand the concept of Lebanon today. However, I am glad that I heeded the Lord's voice that He was calling us to pray for Lebanon this year."

"Chuck Pierce's Word--Prophesied on January 29, 2006 in Camarillo, CA

**" In the midst of the summer at the hottest point, you will begin to see the snow of Lebanon melt. Watch as Palestine and Syria form an ungodly alliance with Lebanon.** For Lebanon is at the end of the fork of the road of change for the Middle East. Lebanon will become an issue that causes the Middle East to go one way or the other."

"In the midst of the beauty and grandeur of this place, I will begin to write a new script over how the nations will realign. Out of Lebanon, a new wineskin will form, and a new river will begin to rise."

**"I will bring conflict into Lebanon, because it is the boundary that I will deal with this year concerning My promised land of Israel. The warlike tribes of Lebanon will once again arise. But in the end, I will win this war, and the riches that have been withheld from My Kingdom plan will be released ."**

"Watch and see, for there is a new vision. For in the days ahead, you will hear a cry arise from the deep affliction and mourning that comes out of Lebanon. Out of the ancient city of Damascus, you will see a caravan arise. I, 'Ancient of Days,' will create a conflict in Damascus. **My power will be displayed to the world, when I break the confederation of demonic hosts that are aligned against My covenant plan ."**

**" Out of Damascus will come a new move of My Spirit. Many conversions and miracles will occur in the region that surrounds Damascus. Watch, because I am realigning the nations of this region. I will send angelic forces to guard My plan. No matter how Syria arises against that plan at this time, I will have warring angelic forces that will counteract the plan of men that are aligned with evil forces to create havoc.**

‘Sing the songs of the Ancient of Days for it is those songs that will create the sound of victory over the lands of this region.’ Blessings, Chuck D. Pierce"

### **The Bride Will Come out from Lebanon and Syria**

"We believe that the present war against terror . . . is of the Lord and is part of a very important end time battle."

For years we have prayed Song of Songs 4:8 that the Bride will come from these terror infested areas ruled by demonic spirits. *"Come with me from Lebanon, my bride, come with me from Lebanon. Descend from the crest of Amana [a mountain top close to Damascus] , from the top of Senir, the summit of Hermon [Lebanon and Syria] , from the lions' dens and the mountain haunts of the leopards [demonic strongholds] ."* Now could be the time for this word as well as Isaiah 29 and 17 to begin being fulfilled. Let us pray and believe without fear that the Holy One of Israel is in charge. The developments are ultimately not in the hands of the Israeli cabinet. Yeshua is coming soon - but we must pray! We believe that the present war against terror to finally bring Hezbollah, "the terrible one" and "scornful" to nothing is of the Lord and is part of a very important end time battle. Pray also Psalm Ps 129:5-7,

*"May all who hate Zion [Hezbollah] be turned back in shame. May they be like grass on the roof, which withers before it can grow; with it the reaper [Syria] cannot fill his hands, nor the one who gathers [Iran] fill his arms."*

**Isa 29:17** [Is] it not yet a very little while, and Lebanon shall be turned into a fruitful field, and the fruitful field shall be esteemed as a forest?

**Isa 29:20** For the terrible one is brought to nought, and the scorner is consumed, and all that watch for iniquity are cut off:
